

Supporting Parents and Young Children during Covid-19:

How are families coping and what we can do to help?

Helen Dodd, Pete Lawrence, Cathy Creswell, Polly Waite, Sam Pearcey, Adrienne Shum.

1 About the Co-SPYCE Study

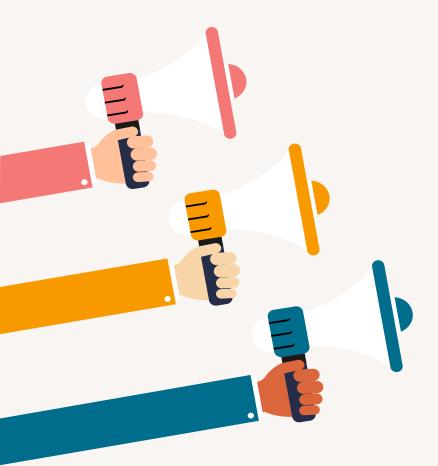

O2 Findings so far

O3 Practical parenting

1 About the Co-SPYCE Study (1/2)

WHO?

Parents / carers with pre-school children (aged 2 – 4 years) living in the UK

WHAT?

Online surveys (monthly follow-up) and interviews

WHY?

- To understand how families have been getting on during the COVID-19 pandemic
- To share our findings with policy makers and organisations to find out how to support families

1 About the Co-SPYCE Study (2/2)

HOW WE'VE RECRUITED SO FAR.

- Social media (Twitter, Facebook, Instagram)
- Organisations and charities
- Media (News, articles, radio)

Parents/carers of children aged 2-4: www.cospyce.org/survey
